ON PETITION
37 CFR 1.324

Receipt is acknowledged of the petition filed on April 05, 2007 under 37 CFR 1.324 for correction of inventorship. The petition has been **GRANTED**.

In view of the papers filed, it has been found that during the prosecution of the instant application a restriction was required and therefore, not all of the inventors contributed to the invention as now claimed. Accordingly, this application has been changed by the **deletion of the inventor Edmond DIFFERDING, Philippe MICHEL, Patrice TALAGA and Alain MATAGNE. Now the inventorship of this application is Benoit KENDA, Patrick PASAU, and Benedicte LALLEMAND.** The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
